

DR. OPTICAL'S FEBRUARY

ACTIVITY PAGE

Dr. Optical and Miss Illusion like to read about the United States Presidents. They were fascinated to learn that most of the Presidents wore glasses at some point in their lives. Celebrate President's Day by matching the clue with the correct President.

1. This President wore thick-lensed glasses in a style called a pince-nez from the age of 13. He carried extra pairs during his military service as a Rough Rider.

Letter _____ Name _____

2. This 20th century President wore glasses from the time he was six years old.
